Directors of company held responsible for declaring dividends when the company is insolvent. Written protest, however, by any director, filed with the Secretary of the company, and clerk of county court, shall be exempt from liability.

SECTION 1. *Be it enacted by the General Assembly of the State of Indiana*, That if the Directors of any such company shall declare and pay a dividend when the company is insolvent, or any dividend, the payment of which would render it insolvent, knowing such company to be insolvent, or that such dividend would render it so, the directors assenting to such dividend shall be jointly and severally liable, in an action founded on this act, for all debts due from such company, at the time of such dividend. *Provided*, that if any of the directors object to declaring such dividend, and file their objections in writing with the Secretary of the company and with the Clerk of the county, the director or directors so objecting shall be exempt from such liability.

JOINT RESOLUTION

OF THE

GENERAL ASSEMBLY OF THE STATE OF
INDIANA, 1863.

CHAPTER I.

A JOINT RESOLUTION of thanks to the soldiers of Indiana, and providing for the registry and preservation of the names of those who have fallen in the service of their country, during the present war.

WHEREAS, patriotism is correctly defined as love of our whole country, and loyalty, the defense and support of its Constitution and Laws;

AND WHEREAS, the due appreciation and encouragement of those who have, in some distinguished manner, evinced these high qualities of the citizen, are eminently proper, and the just tribute of a nation's gratitude, therefore,

SECTION 1. *Be it resolved by the General Assembly of the State of Indiana*, That we do hereby tender our sincere and heartfelt thanks to the brave and patriotic soldiery (officers and men) of this State, who, banishing all feeling of passion and resentment, and recollecting only their duty to their whole country, have, since this unhappy struggle began in our land, gone forth for the noble and patriotic purpose of waging this war, not in any spirit of conquest or subjugation, nor for the purpose of overthrowing or interfering with the rights or established institutions of any of the States, but to maintain and defend the supremacy of the Constitution, and to preserve the Union, with all its dignity, equality, and rights of the several States unimpaired.

Tendering the thanks of the General Assembly to the soldiers and officers in the army.

And we do assure them, that in the noble valor and bravery that have so signally distinguished them on many hard fought fields, we feel a manly pride and satisfaction, and assured that whatever stigma ignorance and injustice may have attached to the Indiana soldiery, in other times, has been nobly wiped out, and

G. L.—4.

that the fair escutcheon of our State is left resplendent only with glory and renown.

And we do further assure them, that in all their sufferings, hardships, and privations, they have our deepest sympathies and commiseration; and that we, both as citizens and members of this Assembly, will use our effort to protect them from suffering, and add to their comfort.

To the family and friends of the noble brave, who have fallen in the struggle, we tender our deepest sorrow and warmest sympathies; and we sincerely trust that the kindness and generosity of a patriotic people will never suffer want and privation to enter those bereaved households.

In relation to
public swindles.

SEC. 2. *Resolved*, That we will use our every effort here, and elsewhere, to discover and bring to punishment that horde of national "horse leeches," (contractors and swindlers,) from those nearest the throne of power to the merest tide-waiter, who have fattened and gloated upon the miseries of their country, and gathered their treasures from the muscles and blood of our valiant soldiery.

The State Librarian shall collect a short history of soldiers and officers connected with the war.

SEC. 3. *Resolved*, That it shall be the duty of the Librarian to carefully collect and arrange, in the manner hereinafter prescribed, for future preservation for the use of the State, the names of all the Indiana soldiery, (officers and men,) who have fallen in this struggle, or who may hereafter fall, whether by disease or by the violence of the enemy, the time, place, and cause of their death; their names, ages, places of nativity and residence; place and date of enlistment, draft or substitution; regiment, company, commanding officers, from Colonel to Captain, inclusive; length of service; the battles, skirmishes, or any other engagements with the enemy in which they may have participated, and any other incidents of special interest, connected with their history; and, if officers, the office, date of commission, division, brigade, regiment, or company, commanded by them, or to which they were attached, with the promotions, if any, and the causes for the same, and any and all other matters that may be interesting and useful in the transmission of these illustrious names to the posterity of the State. That the whole be inscribed in a clear and legible hand, in such form as to be convenient for printing, in a large and suitable book or books, entitled "Indiana Roll of Honor," and the same to be placed in the Library of the State.

The Librarian shall receive five hundred dollars for his services.

SEC. 4. *Resolved*, That the Librarian shall receive for such services five hundred dollars, only one-half of

said sum to be paid until the work has been completed, and examined and approved by the Board of Education.

SEC. 5. *Resolved*, That the said sum of five hundred dollars, so appropriated, shall be a full compensation for all services and expenses in collecting and copying the report, as contemplated by these resolutions, and all additions necessary to make the report complete to the 1st of January, 1865.

Five hundred dollars shall be a full compensation for services of Librarian. The work shall be completed by January 1, 1865.

SEC. 6. *Resolved*, That the Governor be instructed to transmit a copy of these Joint Resolutions to each Major or Brigadier General, and each Colonel, or other commanding officers from this State, with a request that they lay the same before the Indiana soldiers under their command.

The Governor instructed to transmit a copy to each Colonel and commandant of our troops.

STATE OF INDIANA, }

The United States Government has refunded to the State of Indiana the sum of four hundred and fifty thousand dollars in six per cent. United States Treasury Notes. They were immediately sold in the city of New York at rates varying from 96 to 96½ per cent., producing a total sum of \$432,639 30, and this sum was applied solely to the redemption of 6 per cent. Indiana war loan bonds. The bonds thus redeemed are numbered as follows:

From No. 126 to No. 405.....	280
“ “ 406 “ “ 547.....	142
“ “ 651 “ “ 680.....	30
“ “ 703 “ “ 708.....	6
“ “ 715 “ “ 744.....	30
Total.....	488

All of the denomination of one thousand dollars.

By a provision of the act authorizing the issue of these bonds, approved May 13, 1861, (Acts Special Session 1859, page 19, section 5,) it is made the duty of the financial committees of both Houses of the next General Assembly to destroy the bonds thus redeemed. But as they are coupon bonds, and without indorsement pass into the possession of any holder, the State Debt Sinking Fund Commissioners did deem it proper to prevent their passing into the hands of unauthorized holders, by ordering that they should be canceled by punching through the body of each bond three holes, of a diameter of half an inch, and running cross lines over each of the thirty-nine coupons attached to each bond. They were accordingly canceled in this manner, and are now kept in the office of the Auditor of this State, awaiting their final destruction by the aforesaid committees.

It is gratifying to say, that owing to the sagacity and foresight of the Loan Commissioners, the officers charged with the redemption of the bonds were enabled to do so on terms very favorable to the State; that is to say, they paid for them only the same amount for which they had been sold by the State, varying from 87½ to 88 9-10 per cent. per annum from the day of sale to the day of rendition, with the addition of interest at the rate of 7 per cent.

From a report, submitted to the Legislature at the Extra Session, it would seem that Governor Morton labored under the impression that the first \$100,000 charged to the "Military Fund" had been charged to the "Military Contingent Fund." Twenty thousand dollars of this being a loan to the General Government for the support of troops, made by the Governor, was properly charged to the "Military Contingent Fund." The rest was properly charged to the "Military Fund," as will appear from the vouchers on file at this office.

According to the quarterly reports of the Loan Commissioners made to this office, the bonds sold to this date amount to \$904,500, to-wit:

600 bonds of the denomination of \$1,000.....	\$600,000
304 “ “ “ 1,000.....	304,000

Total.....	\$904,500
And with the funds obtained by the State from the General Government there were redeemed	488,000
Leaving outstanding on the 31st October, 1861.....	<u>\$416,500</u>

By an act of the General Assembly of June 4, 1861, the tax levied for State Debt Sinking Fund purposes has been appropriated, and is to be applied to the debt created under the provisions of the act of May 13, 1861, for the issue of two millions of six per cent. war loan bonds; and a like direction is given any money paid by the General Government, to indemnify the State of Indiana for any advances made in the present war for the suppression of the rebellion.
